## Icare Back Cushion

### CODES & SIZES

Icare Back Cushion

Code: IC167

## SPECIFICATIONS

- » Reduces pressure in the area of discomfort
- » Pressure relieving ActiveX™
- » Elastic strap with clip
- » Zip off washable cover

Measurements:

Width: 32cm

Length: 32cm

Depth: 8-10cm

It provides targeted support and is contoured to reduce muscle strain. Pressure-relieving ActiveX™ material reduces pressure in the area of discomfort. Icare Back Cushion Elastic strap with clip. Zip-off washable cover.

### Pressure Redistribution

The overlay features the ActiveX™ Lite material is the main comfort layer in this mattress. ActiveX™ is a high grade of elastic type foam which is responsive to temperature around inflamed areas. ActiveX™ will become softer as it becomes warmer. So around a pressure point it will always soften and allow the blood to circulate freely.

### Ventilated Base Fabric

Vant fabric is a three-dimensional polypropylene material that has high air permeability and is anti-bacterial. Using this in the base greatly increases air movement.
